RELATED PROFESSIONAL EXPERIENCE

Freelance Scenic Designer

Aug 2020-Present

Managed various projects with multiple deadlines, ensuring adherence to project timelines, deliverables, and budget. Analyzed project needs and created detailed design documentation; including layouts, detail drawings, digital or physical 3D models, and itemized materials lists.

Graduate Research Assistant (Paint Shop)

Aug 2020-May 2023

Assisted shop supervisor in developing, planning, and executing paint treatments for multiple overlapping productions. Created materials bid sheets and submitted supply orders. Oversaw a small team of shop employees, and maintained safe and efficient shop practices.
